**2.    INFORMATION ABOUT OUR USE OF COOKIES**

2.1    Cookies are small text files stored on your device when you access most websites (including online Websites) on the internet or open certain emails.  Among other things, cookies allow a website to recognise your device and remember if you have accessed the website before.  We use the term cookie to refer to cookies and technologies that perform a similar function to cookies (for example, tags, pixels and web beacons).  Cookies can be read by the originating Website on each subsequent visit and by any other website that recognises the cookie.

2.2    The Website uses cookies to see how the Website is being used in order for us to continually improve the website and provide you with a good experience when you use the Website. Further information about the types of cookies that are used on the Website is set out in the table below.

2.3    By continuing to use the Website, you are agreeing to our use of cookies.  You can choose to restrict or block cookies through your browser settings at any time. For more information about how to do this, and about cookies in general, you can visit www.allaboutcookies.org and www.youronlinechoices.eu.

2.4    The Website uses the following cookies:

2.4.1    **Strictly necessary cookies**. These are cookies that are required for the operation of the Website.

2.4.2    **Analytical/performance cookies**. These cookies enable us to monitor and provide statistics on how the Website is used, help us to test the Website's design and operability, improve the Website by measuring any errors that occur and speed up your searches.

2.4.3    **Functionality cookies**. These are used to recognise you when you return to the Website.

2.4.4    **Targeting cookies**. These cookies record your visit to the Website, the pages you have visited and the links you have followed. We will use this information to make the Website and the advertising displayed on it more relevant to your interests. We may also share this information with third parties for this purpose.

2.5    Cookies on this website are not used to personally identify you.

2.6    Except for essential cookies, all cookies will expire in accordance with the timescales set out in the table below.

3.      **RESTRICTING OR BLOCKING COOKIES**

Please be aware that restricting or blocking cookies set on the Website may impact the functionality or performance of the Website, or prevent you from using certain services provided through the Website. It will also affect our ability to update the Website to cater for user preferences and improve performance.

4.      **THIRD PARTY COOKIES**

Please note that third parties (including, for example, advertising networks and providers of external services such as web traffic analysis services) may also use cookies, over which we have no control, although we may receive services from these third parties (including, for example, Website analytics).  These cookies are likely to be analytical/performance cookies or targeting cookies (as described above).

5.      **COOKIES ON THE WEBSITE**
