

# WELCOME TO WALES

We hope you enjoy your time during your stay here in Wales and make the most of everything our wonderful country has to offer – *scenic views, fantastic culture and delicious food*, all of which are supported by Welsh farmers.

If you do enjoy tasty Welsh produce during your time with us, we'd be really grateful if you could lend your support to our Secure the Future of Welsh Food campaign by scanning the QR code below or visiting the NFU Cymru website.

Your support will help us ensure that we can keep Welsh meat, dairy, vegetables, fruit and cereals on the plates of residents and visitors alike for years to come.

Enjoy your stay and we hope to see you again soon
