We're here **FOR YOU**

The NFU is the only organisation that champions all farmers and growers in England and Wales. We're here to give you a voice and to protect your way of life – now and in the future.

Our strength is in our numbers. With over 50,000 members, we are heard when it counts – locally, nationally and internationally.

As the largest agricultural trade association in the UK we support farmers on any issue, in every sector and in every area of England and Wales.

We work hard to ensure our tenant farmer members enjoy **A SUCCESSFUL AND PROSPEROUS BUSINESS ENVIRONMENT**

We are constantly active on behalf of tenants

Backed by the strength of our membership, our dedicated regional staff and NFU Rural Surveyor allow us to lead on policy and voice tenants' issues at Government level.

National Representation:

Led by the NFU Vice President along with the national Forum Chair and NFU Rural Surveyor, based at Stoneleigh HQ.

Regional Representation:

A regional tenants' spokesman and county representative act on your behalf on tenancy issues arising in your area. Each NFU Regional Office has a dedicated member of staff leading on tenants' issues.

Tenancy Reform Industry Group (TRIG)

The NFU is a key player within TRIG, contributing towards Regulatory Reform Orders that can be implemented quicker than full Acts of Parliament. Recommendations to Defra ministers generally take the form of legislative reform, fiscal reform and guidance to landlords and tenants.

Annual Tenant Meetings

We hold **regional tenant meetings** every year to update our members on the latest tenancy topics. Led by the NFU Rural Surveyor, alongside guest speakers from land agencies or legal firms, these meetings allow you to raise issues affecting your business. For members interested in debating tenancy issues in more depth, we also hold the biennial **NFU National Tenant Farmers' Conference**.

Membership with **ADDED VALUE**

The NFU Tenants' Service provides expert information, advice and support to resolve your tenancy issues.

NFU Tenants' Helpline

Our team of trained advisers will help clarify your tenancy issues, identify options for further advice, and alert you to any legal obstacles.

Call: **0370 300 0288**
Monday – Friday **8am – 6pm**

For security and training purposes telephone calls may be recorded and monitored.

Calls to 0370 numbers will be taken out of any inclusive minutes available on your mobile or landline national minutes plan. If not it's still no more expensive than calling national rate numbers starting 01 or 02.

Business Guides

Our range of business guides provide information on Agricultural Holdings Act Tenancies, Farm Business Tenancies, Rent Reviews, Arbitration, Succession, AHA time limits and repair model clauses.
